**CLERKING OF RUNNING EVENTS:**

All running events will be clerked in the south end of the track. Athletes will be clerked in and given instructions at that time. All athletes should remain attentive since the clerks will be requiring them to proceed to the starting line in a timely manner. Our objective is to keep this meet moving and have races on the track for the spectator to enjoy.

**RESULTS**

Complete computerized results will be made available to all coaches after completion of the meet. We will post results on the press box window during the meet.

**TAPE**

Tape is allowed on the long/triple/pole vault runway.  
Tape is allowed for high jump and relay exchanges.  
\*Chalk and/or tack will not be allowed for any markings

**WARM UP AREA AND USE OF INFIELD AND/OR TRACK**

1. No coaches should be on the infield/turf area. Coaches should remain outside the 4' fence or inside designated coaching areas (**EXCEPTION:** coaches allowed inside 4' fence for pole vault).
2. No athletes should be warming up on the infield/turf area. Any athlete may warm up in the field behind the press box (EAST SIDE OF STADIUM) at any time.
3. Hurdlers and sprinters may warm up along the WEST SIDE of the track during the 100m dash and 110m hurdles. **UPON COMPLETION OF THE 100m DASH, NO ATHLETE SHOULD BE WARMING UP ON ANY PART OF THE TRACK.**
